Big Idea: God wants to transform the way we think

Romans 12:1-8

My Story

In this series, kids will learn from the letter that Paul wrote to the Roman church – we know it as the book of Romans. Paul write a load of stuff in this letter, but for this series, kids are going to focus in on the way that the Holy Spirit is at work in Christ-followers and the connection that God has in people’s lives. Kids will learn how these things written almost 2000 years ago by the apostle Paul are still important for us in our lives today.

Key Verse

“Don’t live the way this world lives. Let your way of thinking be completely changed. Then you will be able to test what God wants for you. And you will agree that what he wants is right. His plan is good and pleasing and perfect.”

Romans 12:2

Our Story: this week

1. Watch this week’s video with your family. Go to the Kids and Youth playlist at youtube.com/themeetinghouse
2. Ask your kid(s): How does God want to transform the way we think? From what to what?
3. This week, as a family, keep track of the things that might be considered “not God’s way of thinking” and discuss how God wants to transform the way we think about these things.
