

Big Question: Do we have to choose between science and the Bible?

God Story

Amazing Creation

Psalms

My Story

In this series, kids will get to have some campfire chats around big questions they may have: how do we pray? What's with other religions? What happens when we die? These are some big questions that most people encounter in their lives, and this series is devoted to walking alongside these questions with Jesus.

Key Verse

“Don't worry about anything. No matter what happens, tell God about everything. Ask and pray, and give thanks to him.”

Philippians 4:6

Our Story: this week

1. Watch this week's video with your family. Go to the Kids & Youth playlist at youtube.com/themeetinghouse
2. Ask your kid about the Big Question, and what they learned today.
3. This week, as a family, take time to learn about the amazing things that God has designed in nature, biology, chemistry, astronomy, and throughout the world. Consider picking up a copy of *Indescribable: 100 Devotions About God and Science* by Louie Giglio

For more ways to engage this week and watch the teaching video, visit The Parent Blog at parents.themeetinghouse.com
